

### About huathe:

International Forest School leaders and trainers, huathe, offer tailored training packages and courses to Forest School leaders and those interested in Forest School. Endorsed by the Forest School Association, this is what our trainees say about us:

‘Lovely, kind, gentle manner combined with fab sense of humour, loads of fun, passion, enthusiasm and dedication’

‘Bursting with knowledge and skills’

‘A very safe, nurturing environment in which to learn’

huathe is the trading name of  
huathe ltd  
72 Seaview Road,  
Brightlingsea, CO7 0PR

### How to book:

Links to each course can be found on our website:  
[www.huathe.org/cpd-courses](http://www.huathe.org/cpd-courses)

Each lasts 3 hours and costs £60 (except the June den and shelter building). The workshops link directly to the Forest School Principles and count as part of your certificated CPD.

## Forest School CPD courses 2019

# Journey through the year with our half Day Courses for Forest School leaders and helpers

**Fire-lore and Fire-lighting** Forest School principles 1 & 4

26 January 1pm - 4pm

Few things build community like fires do! This workshop lets you renew your fire-lighting skills, practise new fire-lighting techniques and rejoice in the brightness of the dancing flames on a dark afternoon! Celebrating fire's creative and destructive ability through craft and story!

**Springtime Foraging** Forest School principle 2

31 March 10am - 1pm

Enjoy the coming of spring through a guided walk and exploration of bright spring greens! Gather a selection and share in the making of pesto, soup and more! Identification and skills combine in a workshop that gives you the confidence to forage with your Forest School class.

**Knives, Forks and Spoons!** Forest School principles 3 & 4

25 May 10am - 1pm

A chance to revise your knife skills - and get creative at the same time! Knives, forks or spoons - the choice is yours! All made from wood, all materials provided, along with a warm fire and supportive advice.

**Build yourself a shelter...and sleep in it!** Forest School principles 2, 5 & 6

29 June 4pm - 10am

Whilst the days are long and the evenings light, it's the time to practise your den building! Can you blend into the woodland so much that you can watch the wildlife from the opening of your shelter? Stay until it gets dark...or until it gets light!

**Late Summer Foraging**

28 September 1pm - 4pm

A guided foraging walk, an hour of berry collection, and then the transformation of berry to jam - over an open fire - good to see how straight forward this particular magic can be! Forest School principles 2 & 6

**Taking a rope for a walk** Forest School principles 1, 3 & 4

27 October 10 am - 1pm

If you could only taking ropes into your Forest School, what could you do with them - a mix of theory and skill underpin this popular workshop

**Garlands and Stars** Forest School principles 5 & 6

30 November 1pm - 4pm

As the nights lengthen and candles twinkle in the windows, we turn our thoughts to decorations! Using simple, easily found, resources we invite you to join us for crafting and creation - round a fire, of course!
